A large rectangular area defined by a dashed border, intended for a photo or drawing. In the center, there is a graphic element consisting of a black box with the text "PAK EEN" and a pink box with the text "COMPLIMENT" and a small scissors icon. Below this, the text "GRATIS COMPLIMENTENKAART? [www.pakeencompliment.nl](http://www.pakeencompliment.nl)" is written. At the bottom of the dashed area, there are eight vertical dashed lines that create a series of columns, with a small scissors icon at the bottom-left of the first column, indicating where to cut to separate the columns.
